

FIG. 1

FIG. 2

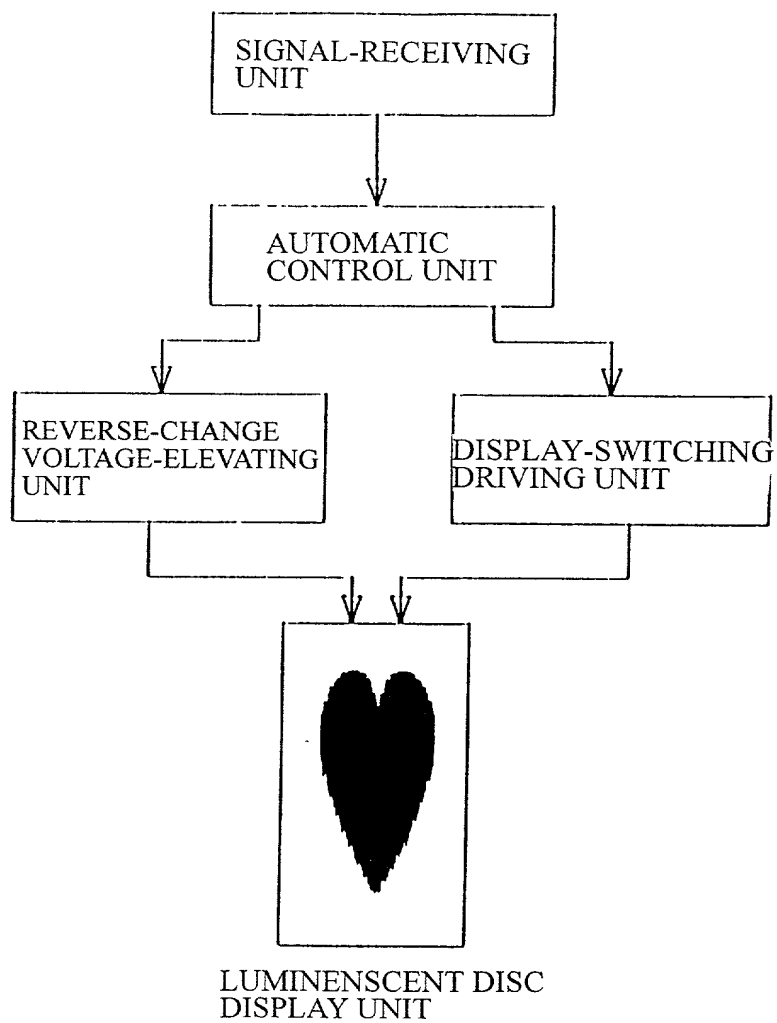

FIG. 3

FIG. 4

FIG. 5 is a timing diagram showing the relationship between the RF signal and the clock signals A, B, C, D, E, and F. The RF signal is a periodic waveform. The clock signals A, B, C, D, and E are square waves with a period of 1/4 of the RF period. The clock signal F is a square wave with a period of 1/2 of the RF period.
